

Note from the Director

What a ride it's been directing 'Our Day Out' with the Senior Drama Company at NW1! This play is packed with laughs, chaos, and some real emotional moments and the students have absolutely smashed it. They've worked so hard (and managed to have a bit too much fun along the way) and I couldn't be more proud of what they've achieved.

On a personal note, this production means a lot to me. Not so long ago, I was the one on this stage as a student in the company, and now I've somehow found myself in the director's chair. It's been amazing watching these students bring their talent, energy, and personality to every moment.

So sit back, enjoy the trip, and maybe even shed a tear or two (don't worry, we won't judge). Huge thanks to the cast for making this such a joy to direct! You're all stars.

Note from the Principal

I'm incredibly proud of our Senior Drama Company's work on 'Our Day Out'. Performance opportunity is such a big part of our learning and we are incredibly privileged to be back in the Studio here at Blackpool Grand Theatre.
