## From the Vice Principal

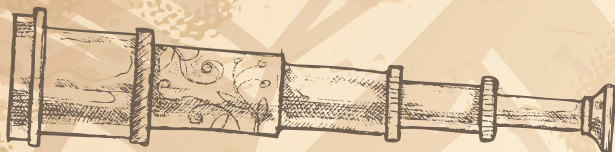

It is with immense pride and joy that I welcome you to our production of Peter Pan Jr. This show holds a special place in my heart, as it marks my very first full-scale musical as Vice Principal and what a magical journey it has been!

Watching our incredible students pour their hearts into every rehearsal, every note, and every line has been truly inspiring. Their talent, dedication, and spirit remind us all of the power of storytelling and the magic of believing - not just in Neverland, but in ourselves and each other.

To the cast, crew, and creative team: thank you for bringing this show to life in such a beautiful way. You've made me prouder than I can possibly say.

Enjoy the adventure,

Laurienne  
NW1 Kirkham Vice Principal
