**W**ELL... I guess this is the end of  
OUR STORY. OR MAYBE IT'S JUST  
the BEGINNING...

When we set out to tackle *Into the Woods*, we knew one thing for sure: this wasn't going to be your average fairy tale. Sondheim doesn't do easy and *Into the Woods* is no exception - it's twisty, tricky, a bit bonkers, and completely brilliant. And honestly? We wouldn't have it any other way.

This show has been BIG in every way - big songs, big set, big emotions, and some very big wigs. It's been a true theatrical adventure, and I couldn't be prouder of this incredible bunch of Senior students who've thrown themselves into it with more heart, humour, and talent than I ever could have wished for. Directing my first ever Senior Musical Theatre show has been pure magic (and slightly chaotic... but the best kind of chaotic). I've loved every single second.

Doing a Sondheim show is a challenge - there's no sugar coating that. The music is wild, the words come at you like a speeding beanstalk and the stories are full of surprises. But watching this cast bring it all to life has been unforgettable. They've worked their socks off, and now it's time for them to shine like the golden slipper at midnight.

To you, our audience - welcome to the woods! Sit back, relax, and prepare to meet witches, bakers, princes, giants and a cow called Milky White (a true star). Whether you laugh, cry, or just leave humming "No One Is Alone," we hope you love this show as much as we've loved making it.

**"sometimes people leave you... halfway  
through the woods..."**

But not tonight! Tonight, we're all in it together, and we're going to make some theatre magic.

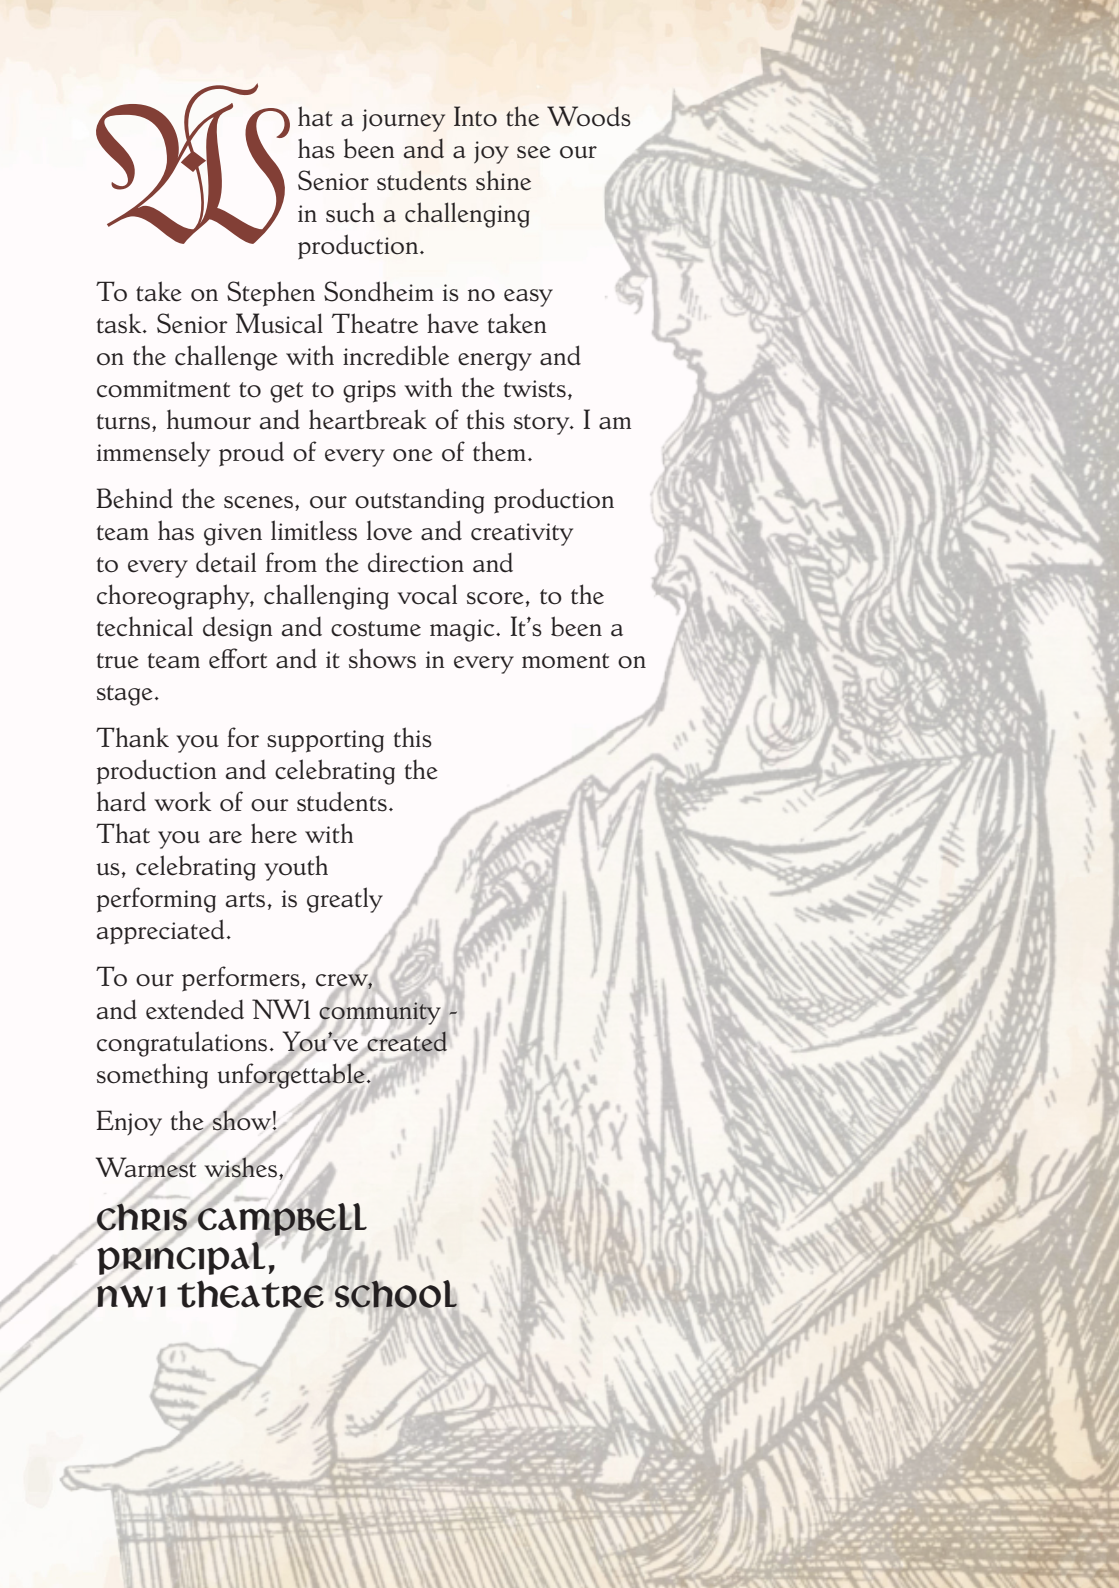

Thank you for joining us. Now go on - wish, listen, and enjoy the ride.

With fairy tale love and a sprinkle of stage glitter,

**DIRECTOR**

**W**hat a journey Into the Woods  
has been and a joy see our  
Senior students shine  
in such a challenging  
production.

To take on Stephen Sondheim is no easy task. Senior Musical Theatre have taken on the challenge with incredible energy and commitment to get to grips with the twists, turns, humour and heartbreak of this story. I am immensely proud of every one of them.

Behind the scenes, our outstanding production team has given limitless love and creativity to every detail from the direction and choreography, challenging vocal score, to the technical design and costume magic. It's been a true team effort and it shows in every moment on stage.

Thank you for supporting this production and celebrating the hard work of our students. That you are here with us, celebrating youth performing arts, is greatly appreciated.

To our performers, crew, and extended NW1 community - congratulations. You've created something unforgettable.

Enjoy the show!

Warmest wishes,
